Jefferson Transit Public Hearing -
Public Comment Procedures

► During the public comment portion of the public hearings, each person speaking will be asked to state their name, address, phone number, and affiliated organization (if any).

► Each person will be provided a maximum of five (5) minutes to state his/her concerns, questions, or statement.

► The Transit Director or other persons representing the Parish may respond to the question; or, if additional information is required, the person may be contacted by letter, email, or telephone at a later date.
